

TESORO: Official Tuna Jackpot Hotel offers new rooms, amazing group rate, beach club access and free beach transportation

■ Free buffet breakfast, spa discounts, free beach club access and shuttle, tackle lockers and access to Cabo events makes it THE Jackpot destination

Western Outdoor News and the Hotel Tesoro have joined forces for the 10th annual Los Cabos Tuna Jackpot Nov. 5-8. With the Tesoro now the Official Hotel of the Tuna Jackpot, they are offering a special group rate for teams and families and friends.

The Tesoro, with every one of its 286 rooms refurbished, is offering an incredible Tuna jackpot room rate during the period of Nov. 2-11. Bottom line, a team of four can stay in a room for \$50 for each person, and that includes a free buffet breakfast with made-to-order omelets that begins at 4:30 a.m. (non-guests can also eat at the buffet for \$15), round trip transportation to the Pueblo Bonito Beach Club, and 10 percent off spa treatments at the Tesoro's Aura Spa.

The following are the discount prices for the Tuna Tourney: Single rooms for up to two people are \$145 a night, junior suites are \$165 for two people and \$180 for three people and \$195 for four.

"It's a great place to stay, right on the marina, walking distance to the docks, great restaurants (like Solomon's Landing, Baja Cantina, Hooters and No Worry's), the Cabo Wabo Nightclub where our Friday party will be held, and right above the malécon

where the new Thursday Tesoro party will be held in front of Solomons," said tourney director Pat McDonell.

He added, "The Tesoro is undergoing a huge transformation over its waterfront 14 acres, and the hotel is going all-out to make this the best destination for staying in Cabo during the Jackpot. And while your team fishes, family members can enjoy the Tesoro pool and spa, but they are also close to shopping, and if they want, they can get a free shuttle and access to the Pueblo Bonito Hotel Beach club in that lively party area near Billigan's and The Office."

Jim Morrissey regional director of sales and operations said joining forces with the tuna tourney just makes sense as the hotel goes into its next phase of improvements in the "common areas," now that the rooms have been upgraded.

"No question about it," he said. "It makes sense for us to do that, no question about it at all. Just looking down the road in November, we want the staff and the anglers and their families to walk away from the hotel and the tournament when it's over and say 'Hey, that was a great time. Let's do it again. That's what it's all about for us."
